

Our Core Purpose

"Every talent discovered, nurtured and celebrated."

Every member of staff at our school works towards this core purpose. We strive to see children as individuals with unique talents and believe it is our job to discover these talents whatever they may be. We endeavour to provide every opportunity we can for growth: personal, academic and social - and to celebrate every achievement in all areas as children journey through school.

Home and School

The Head Teacher, Staff and Governors at Robert Miles Junior School believe in building a strong working partnership between home and school, which enables parents/ carers, where possible, to share and support the education of their children.

Whilst the Agreement is not a legally binding document it is hoped that all parents/carers will uphold its contents and show their support by signing the appropriate section.

Thank you for taking the time to share this agreement with your child.

Our Values

Our values are our central beliefs that underpin everything we do. They are designed to be clearly understood and shared by every member of our school community, defining the way we work with each other.

The explanations of what our values mean come from the children themselves:

Responsibility

- Taking care of everything and everyone around us, including ourselves.
- We also take responsibility for our own actions.

Equality

- We are all equal and therefore should be treated the same.
- All members of our school are equally as important and should be valued as such.

Achievement

- Our school is one where all children's achievements are celebrated.
- We deserve to be proud of our achievements in whatever we do.

Consideration

- Consideration is thinking of others and treating others how you want to be treated yourself.
- We look after our school and our school grounds, which shows consideration for our own environment.

Honesty

- Being truthful with each other is very important in our school.
- We are honest with ourselves about our strengths and weaknesses.

Robert Miles Junior School

Home School Agreement

2017/2018

Robert Miles Junior School Home School Agreement

School

The staff at Robert Miles Junior School will:

- always strive to see children as unique individuals and discover their talents whatever they may be;
- endeavour to provide every opportunity for growth - personal, academic and social - and to celebrate every achievement in all areas as children journey through school.

At Robert Miles Junior School we believe that every talent should be discovered, nurtured and celebrated. We will do all we can to ensure this is true for every child.
