Key Stage 2 assessments in 2018

The 2018 key stage 2 assessments assess the more challenging national curriculum which was introduced in 2014. New tests and interim frameworks for teacher assessment were introduced last year to reflect the revised curriculum. Results are no longer reported as levels, and each pupil will now receive their test results as a scaled score and teacher assessments based on the standards in the interim framework.

64% of pupils nationally reached the new expected standard in reading, writing and maths

At Robert Miles Junior School **73%** of pupils reached the expected standard in reading, writing and maths.

Comparative data – National vs Robert Miles 2018 Tests

The expected standard in the tests is a scaled score of 100 or above. The range for scaled scores is between 80 and 120. The graph to the left shows the percentage of pupils scoring above 100.

Attainment in the tests nationally is highest in spelling, punctuation and grammar at 78% and lowest in reading at 75%.
