

## Letter to Parents, 23<sup>rd</sup> July 2024

Dear Parents,

Today marks the last day of the school year and, for our Year 6s, their last day at our school. As many of you will know from last week's performances, they are a talented group of children who are setup and ready for the next stage of their education. It is an exciting time for them – full of new opportunities, new friendships and a whole new school to acquaint themselves with. We wish them every success and look forward to hearing all about their future achievements.

We have no staff members leaving this term which means everyone will be back in September for another academic year which i am sure will be busy. A reminder of classes and teachers for next term in the table below:

## Summer Reading Challenge 2024

Please don't forget the summer reading challenge which this year is 'Marvellous Makers.' As well as this, Bingham library is putting on a whole host of other, largely free, activities during the holidays for children to get involved in so please do have a look at their website:

<https://www.inspireculture.org.uk/reading-information/find-a-library/bingham-library/events/>

Every child completing the Summer Reading Challenge can come to school proudly wearing their medal in September where they will get a special mention in assembly and house points to get their house off to a flying start at the beginning of the new school year. Happy reading!

Produced by The Reading Agency and run in partnership with libraries across the country the Summer Reading Challenge is a great way to keep children reading over the summer. Taking part can help avoid the potential dip in reading levels over the long summer break and provides free fun for 4 – 11 year olds.

This year's challenge is **Marvellous Makers**. Themed around creativity, imagination and the power of reading, children will help our Marvellous Makers who are part of their local creative club locate some missing items to complete their creations.

**The challenge runs in Inspire Nottinghamshire libraries from 6 July until 1 September.**
