

End of Term Letter - 22nd July 2025

Dear Parents,

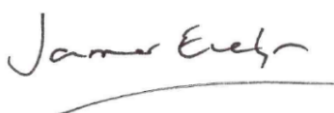

Today marks the last day of the school year and, for our Year 6s, their last day at our school. As many of you will know from last week's performances, they are a talented group who are setup and ready for the next stage of their education. It is an exciting time for them – full of new opportunities, new friendships and a whole new school to acquaint themselves with. We wish them every success and look forward to hearing all about their achievements.

Today we say goodbye to two of our Teaching Assistants: Tabitha Braithwaite and Francesca Quinn. A huge thank you to both of them for all their hard work supporting the children and I wish them all the very best for the future. I am pleased to say that all of our teachers will be back with us in September – a reminder of classes and teachers for next term in the table below:

Thank you to parents for all your hard work getting your children to school each and every day. Special shout out to 3J for having the best attendance this year!

*** Summer Reading Challenge ***

The 2025 Summer Reading Challenge is now live! Last year over 8,000 Nottinghamshire children took part.

Recent research shows that only 1 in 3 children and young people now enjoy reading, a drop of 33% since 2005. The library – and the school – are on a mission to change this and need your help! Please encourage your child to take part in the Summer Reading Challenge.

How it works:

- Children can sign up at any Nottinghamshire Inspire library, where they will receive a special collector's sticker booklet.
- Children borrow and read 6 library books of their choice – logging their reading to earn stickers to complete the sticker booklet.
- Library staff and volunteers are on hand to talk to children about the books they have read.
- Children who complete the Challenge in libraries receive a certificate and a medal.
