

Welcome to Year 6

A very warm welcome to all parents and carers of children in Year 6. We are sure your child is going to have a wonderful year with us. Please find below lots of useful information about the new term. If you have any questions or if there is anything you are unsure about, please don't hesitate to contact us via email. We are looking forward to working closely with you and your child and we value your continued support.

Class Teachers	6L Miss Lanagan cirre.lanagan@robertmiles.notts.sch.uk 6TM Mrs Tang kate.tang@robertmiles.notts.sch.uk (Monday and Tuesday) Mrs Melhuish claire.melhuish@robertmiles.notts.sch.uk (Wednesday, Thursday, Friday)
Important Dates	19th— 23rd October: Duke's Barn residential. Children will split into two groups with half going Monday to Wednesday and the other half Wednesday to Friday. Parent/carer information meeting about the trip is on Thursday 17th September, 6pm . If possible, it is really important for you to try and attend and it is for adults only.
Homework	Reading: 20—30 mins at least four times a week, with a combination of independent reading and reading to an adult. Spellings: handed out on a Friday for a test the following Friday. Maths: a sheet to practise skills and methods previously learnt in class. Regular practice of times tables. Instant recall of all facts up to 12 x 12 is essential in Year 6 as the majority of the curriculum depends upon it being in place. A piece of either English or topic-related work will be handed out every Friday to be handed in the following Thursday.
PE	Mr Maylard-Mason will teach 6L on Thursday afternoons and 6TM on Friday afternoon. There may be a second PE lesson taught by the class teacher. This term they will be working on basketball and athletics. Please ensure your child has their PE kit in school every day.
English	Our first Talk For Writing focus will be on warning stories where the children will develop their skills in creating suspense, characters and settings. Our second major unit will develop narrative skills, linked to World War 1 poetry. In addition to this, grammar, punctuation and spelling will be taught in short bursts and embedded into their writing.
Maths	Place value—reading, writing, comparing, ordering, rounding and understanding the place value of numbers beyond a million. Formal written strategies—addition, subtraction, multiplication and division, including long multiplication and division. Calculating with fractions and mixed numbers.
History	Our topic this term is the First World War. The children will learn about its causes and what life was like, both at home and in battle.
Science	This term's science topic is Light.
Computing	Our topics are programming using Scratch and developing an understanding of artificial intelligence.
Art/DT	In art, the children will carry out an artist study on Jacqueline Hurley and develop their skills to create their own work in her style.
PSHE	Our PSHE topics this term are Being Me in My World and Celebrating Differences. These themes are explored in the classroom and through whole school assemblies
RE	In Autumn term our topic is Journey Through Life.
Music	Music will be taught to both classes on a Friday morning by our music teacher, Mrs Brown.
French	Mrs Alcock will teach both classes French on a Friday morning.
